

STATE BOARD OF PSYCHOLOGY

REPORT OF SUPERVISED EXPERIENCE

Applicant: \_\_\_\_\_

To be eligible for licensure as a Psychological Associate, you must demonstrate that you have had at least **600** hours of supervised experience which was part of your master's degree training. These educational experiences typically have titles such as practicum internship, or field training and they **MUST** be reflected on your graduate transcript. Please complete the following form listing your educationally related supervised experiences.
